DETAILED ACTION***Reasons For Allowance***

The following is an examiner's statement of reasons for allowance: the prior art reference has failed to disclose or suggest an insertion catheter for delivering a vascular prosthesis without a supporting structure into a vessel comprising an elongate tubular catheter cover having a folding device extending inside of the catheter cover, an outlet having a cross-sectional shape differing from a circular shape at the distal end of the catheter cover for the prosthesis to pass through the outlet. The folding device extending inside the catheter cover is configured adjoining the outlet so that the vascular prosthesis is formed into a required cross-sectional shape on passing through the outlet.

Claims 1-47 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
